FAMOUS COMMANDERS

FAMOUS COMMANDERS

INCLUDING FAMOUS COMMANDERS

The rules for including Famous Commanders in your games can be found in the core rules available on dropzonecommander.com and the ttcombat.com resources sections.

COMMAND CARDS

Command Cards belonging to these Famous Commanders can be used once per game and are not included in your Command Card Deck. Instead, to play a Famous Commander's Command Card, discard any Command Card from your hand.

BENEFITS

Famous Commanders included in this supplement come with an army wide benefit. These are active even if the commander is not on the board, but unless otherwise stated, the army loses the benefit when the commander is destroyed.

DETRIMENTS

Additionally, Famous Commanders in this supplement have an army wide detriment. Like benefits, these are active even if the commander is not on the board and unless otherwise stated stay in effect until the commander is destroyed. Some detriments affect your army choice, these are permanent even if the commander is destroyed.
