Newsflash #1 - 11th February 2015

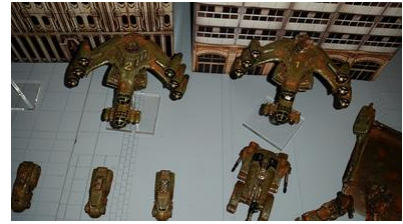

The dice are down and the results are tallied from Invasion 2015! We're very proud that this was our largest Tournament so far, with over 40 players and many people also coming to the open weekend.

MORE IN THE NEXT NEWSLETTER

Dave was on hand to talk new commanders, army design and sneak peeks, which included up armoured UCM infantry prepping for re-conquest missions and new Scourge monsters determined to stop their advance. We also showcased some up and command units for both armies which will be hitting stores soon – keep your eyes peeled for more information and experimental rules coming soon.

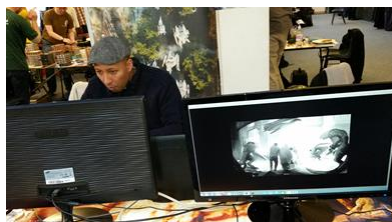

The fighting was fierce over in the tournament area itself; thankfully everyone involved was a great sport and kept the bloodshed to the tabletop. The friendly, lively atmosphere continued all weekend, with every single player received a vote for most sporting opponent. Even on the top tables – where the overall winner was decided by only 2 points – the camaraderie and enjoyment of the games was palpable. Every race was represented in the top ten, and the overall results were as follows:

Tournament 1st place: Mike Burch - Shaltari
 Tournament 2nd place: David Bonner - Shaltari
 Tournament 3rd place: Dan Cates - Scourge
 Winning team: Orbital Bombardment
 Best painted: Dan Cates - Scourge
 Most sporting opponent: Al Pidwell
