Newsletter #45 - 31/03/2017

Welcome to the March Hawk Wargames Newsletter - we have a few key things to share with you that are coming up too!

1) The Hawk Wargames site

As many of you saw from our previous update, we have relaunched the site, and are generally really happy with the look and usability of it. But we are always open to hear what you think, and what you would like to see - email us or contact us through our social media accounts with any comments or suggestions you have to make it better for you.

Over the last few weeks we have had a very high amount of orders, so if you are currently waiting on yours, it is currently being processed, and will be with you soon.

2) Direct Only Sculpt

- UK Games (Birmingham, UK) - 2nd-4th June - & Tournament, Demos
- Origins Game Fair, (Columbus, Ohio) - 14th-18th June - & Demos

But, there are a lot of other events going on too, so to make this a lot easier to keep track of all the events and tournaments worldwide for Dropzone Commander, we have put together a detailed calendar on our site, that gives details of all the events.

If you have any events that you are attending or running for Dropzone Commander or Dropfleet Commander that are not on there, email us, and we will add them!

We look forward to continue to improve our communication and information for players around the world.

We hope you all enjoy the new website and that you're enjoying the games!

Kind regards

- The Hawk Wargames Team
