#### ABHORRENT

Any enemy Infantry in the same or Linked Garrison suffer a further -1 penalty when searching for objectives, and a +1 penalty to their Fortitude.

### SQUEEZE

When this unit enters a Garrison or starts its activation in a Garrison, it causes D3 Collateral Damage to that Garrison.

#### HUNTING SCREAM

When a unit is targeted by this weapon, the Screamer doesn't roll damage as normal. Instead, the controlling player rolls a dice for every damage point remaining in the targeted squad and consults their Fortitude. For every roll under the Fortitude value, that squad loses 1 Damage Point with no saves of any kind.
